Dear Harvey,

RE: 2021 BCCMB Director Election Results

The 2021 Election for a member of the BC Chicken Marketing Board has concluded. As you know your 2021 election schedule provided a vacancy for one (1) position representing Registered Chicken Growers.

As prescribed by the schedule, Registered Growers were advised of the vacancy and of the nomination procedures.

There was one (1) valid nomination received, therefore no vote was conducted and the election was acclaimed. We declare **Derek Janzen** elected to the BC Chicken Marketing Board for a three-year term.

We confirm that the election was conducted according to the BCCMB Election Rules and Procedures (September 2020) as approved by the BC Farm Industry Review Board.

Yours truly,

Della Oberhoffner
Independent Election Officer for the BC Council of Marketing Boards
