In order for an individual's name to appear on the Voting Grower List for an election, a grower under (i) above must be listed on the Register of Growers, no later than 4:00 p.m. on the "Deadline to be added to the Voting Grower List", as indicated on the election timeline for that election. An e-mail address must be provided for the Voting Grower to vote.

5. Elections:

In the year an election is held, it shall take place in the month of February, or as soon afterwards as it may conveniently be held.

All voting will be conducted by electronic ballot.

A Voting Grower will vote by the BCCMB approved on-line voting system that meets appropriate security, safety and ease of use requirements, provided their name has been added to the Voting Grower List within the specified timelines.

6. Voting:

Each registered grower choosing to vote must indicate on their annual licence form the voting grower and the email address where the electronic ballot is to be sent.

If registered growers do not have an email address, or do not complete the election section of their annual licence form they will not receive an electronic ballot. Each Voting Grower will be sent an individual email from the Election Officer by the date identified in the election timeline. The email will include a one-time use web link to the online voting site.

7. Election Outcome:

The Election Office will announce the results at the designated meeting held annually by the BC Chicken Marketing Board (BCCMB) which shall take place in the month of February, or as soon afterwards as it may conveniently be held.

At the time designated at the annual BC Chicken Marketing Board (BCCMB) meeting, the Election Officer will announce the election results.

In the case of a tie, the BCCMB chair will cast the deciding vote.

The results will be posted on the BCCMB website and the first newsletter sent to industry after the election by the BCCMB will also announce the outcome.

All completed ballots will remain in the custody and control of the Election Officer until the BCCMB passes a motion for destruction of the ballots.

8. Terms of Office and Re-election of Board Members:

The term of office of an elected member is four years. An elected members' term begins at the end of the designated annual BCCMB Meeting which shall take place in the month of February or as soon afterwards as it may conveniently be held. Terms may be adjusted in the interim to move from 3-year terms to 4-year terms to have only 1 position up for re-election every year.

If a vacancy arises as a result of the members' term expiring, that member may serve until a successor is elected or appointed in accordance with these Rules and Procedures.

A member of the Board may stand for re-election if they meet the requirements for nominee.

A person elected to the BCCMB continues to hold office until:

- He or she
 - is convicted of any offence under the *Natural Products Marketing (BC) Act*; or

- resigns in writing; or
- ceases to be a grower or authorized to represent a grower in accordance with section 3.03(2) of *the BC Chicken Marketing Scheme, 1961* and ceases to have his or her name and address recorded on the Register of Growers; or
- is absent from the province for three consecutive months and the other members declare his office vacant, or
- As a consequence of a formal remedy prescribed by the BCCMB Code of Conduct the position is declared vacant by the remaining Board members.

A vacancy that occurs on the Board other than by expiration of the term of office of an elected member, either by the death of the member or in the circumstances noted above, may be filled for the unexpired term by a quorum of the remaining members, by appointing a person to fill the vacancy subject to approval by BCFIRB.

BCFIRB will fill any vacancies in the membership of the Board where the members do not constitute a quorum.

8. Election Timeline:

Terms are staggered so that one grower member is elected in each election.

The Board, in consultation with the BC Chicken Growers Association (BCCGA) will set a date in February, or as soon afterwards as may be convenient, for conduct of a regular election.

The Election Officer will establish an Election Timeline based on the election date set by the Board. The Election Timeline will be in keeping with the Election Timeline Example (Appendix 1).

9. Review Process:

These Rules and Procedures for Election of Members to the BCCMB shall be reviewed every three years (the next review to occur in 2029). The review process will include consultation with the BCCGA. The BCCMB will also review the procedures upon receipt of a written request from the BCCGA. There will be no triggering of the review process once the election process has commenced.

Any changes to the Rules and Procedures for Election of Members to the BCCMB must be approved by BCFIRB prior to implementation.
